

# FILL THE BARNYARD

This Christmas season, Heartland Fellowship is seeking to raise funds to help families around the world to receive farm animals to support nutrition and increase income.

2020 has been a tough year for everyone and we are seeking to provide, with your help, the gift of farm animals for several families where supports may be of greater need.

Your gift towards the Whole Barnyard provides 4 cows, 8 goats, 6 pigs, 20 ducks, 25 ducklings, and 50 chickens.

This barnyard of animals won't just temporarily feed families. Each animal will arrive with support from World Renew's local partners as they learn how to raise each animal properly, breed it successfully, and manage the microenterprise that results. When families are able to do more than eat for the day — when they can maintain good health, afford education, and raise an income — they become more secure and can maintain that security in a way that impacts generations.

We are asking for your gifts this season, to fund the costs of these animals. You can donate the amount of a certain animal(s) of your choice, or any amount to help complete the Whole Barnyard purchase.

To support the Barnyard project specifically, e-transfers need to be sent to: [gifts@heartlandfellowship.com](mailto:gifts@heartlandfellowship.com).

Please give generously! And have fun as we work together to support this project. Challenge your kids to do an extra chore to raise \$4 for a chicken? Count your spare change and see if you have enough for a \$14 duck?

Stay tuned as we update our animal count each week!

Visit [www.heartlandfellowship.com/barnyard](http://www.heartlandfellowship.com/barnyard) for more info, and colouring sheets!

## BARNYARD PRICES:

 DUCKLING \$1.25

CHICKEN \$4

 DUCK \$14
